Working Student / Internship – Assistance to the financial management (f/m/d)

Your Tasks:

- **Shaping the future**: Reach milestones with us and assist our management in various aspects of operative project and daily business.
- **Take responsibility**: Leave your footprints in our start-up by coordinating sub-projects and preparing important reports, analyses and budget forecasts.
- **Participate in decision-making**: Perform research and data analysis and create presentations for decision preparation.
- **Reliable realization**: Support us by organising and executing financial and administrative activities as well as project and data maintenance using ERP and internet-based platforms.

Your Profile:

- **Education**: You are a registered student of an economics course, ideally with a focus on accounting, finance or controlling.
- You would like to work with us as a compulsory intern or working student.
- **Experience and know-how**: Confident handling of MS-Office (esp. Excel), ideally you have initial knowledge of ERP systems experience through comparable activities in accounting/controlling.
- **Languages**: English and German language skills.
- **Personality, way of working and interests**: You are a team player with strong communication skills and a proactive and reliable way of working, you have a high affinity for numbers and IT, and are distinguished by your analytical competence.

---

**Immersive instead of Invasive**

We are looking for motivated employees for our Start-Up CUREosity based in Düsseldorf. Be part of a unique cooperation of scientists, physicians, therapists and game designers. Together we develop a completely new motion therapy system based on VR technology with the goal to help people with neurological and psychological impairments.

Grow with us right from the start and join CUREosity by applying at jobs@cureosity.de!
